What are my obligations?

You must comply with the following conditions to have the full protection of this policy. If you do not comply we may at our option refuse to deal with your claim, or reduce the amount of any claim payment.

1. You must comply with our Important Health Requirements. There will be no cover under EMERGENCY MEDICAL EXPENSES, CANCELLATION or CURTAILMENT unless each insured person, who must make a medical health declaration in respect of the period for which insurance is required, has declared ALL pre-existing medical conditions to us and we have accepted them in writing. Any medical information you give us will be treated as strictly confidential. We will not pass your medical information to anyone without your specific authority. We will use it to decide whether or not we can cover you and we will refer to it in the event of any claim.
2. The maximum age limit is 85 years inclusive. If you reach the age of 86 during the period of insurance, cover will continue until the end of that period of insurance but not thereafter.
3. You must take all reasonable care and precautions to prevent a claim happening. You must act as if you are not covered and take steps to minimise your loss as much as possible and take reasonable steps to prevent a further incident and to recover missing property.
4. If you need to curtail your trip you must contact us on +34 938 000 297. We are open 24/7 for advice and assistance with your return home. We will also arrange transport home if you have news of serious illness, deterioration or death of a close relative at home.
5. You must tell us as soon as possible in the event of an emergency or if you are hospitalised (any outpatient treatment, minor illness or injury (excluding fractures) costs must be paid for by you and reclaimed).
6. You must pay the appropriate premium for the full number of days comprising your planned trip.
7. We ask that you notify us within 28 days of you becoming aware that you need to make a claim and that you return your completed claim form and any additional information to us as soon as possible.
8. You must report all incidents to the local police in the country where it occurs and obtain a crime or lost property report, which includes an incident number.
9. You must not abandon any property for us to deal with and keep any damaged items as we may need to see them.
10. You must provide all necessary documentation requested by us at your expense. We may also request more documentation than what is listed to substantiate your claim. If you do not provide this any claim may be refused.
11. You or your legal representatives must send us at your own expense all information, evidence, medical certificates, original invoices, receipts, reports, assistance that may be needed including details of other insurance policies that may cover the claim. We may refuse to reimburse you for any expenses for which you cannot provide receipts or bills. Please keep copies of all documents sent to us.
12. The policy excess, as and when applicable, will be deducted in respect of each insured person and each and every incident.
13. You must not admit, deny, settle, reject, negotiate or make any arrangement for any claim without our permission.
14. You must tell us and provide full details in writing immediately if someone is holding you responsible for damage to their property or bodily injury to them. You must immediately send us any writ or summons, letter of claim or other document relating to your claim.
15. In the event of a claim and if we require it, you must agree to be examined by a medical practitioner of our choice, at our expense as often as may be reasonably necessary prior to paying a claim. In the event of your death we may also request and will pay for a post-mortem examination.
16. If we provide transportation or settle your claim and as a result you have unused travel ticket(s) you must surrender those tickets to us. If you do not, we will deduct the amount of those tickets from any amount paid to you.
17. We have the right, if we choose, in your name but at our expense to: take over the settlement of any claim; take legal action in your name to get compensation from anyone else for our own benefit or to get back from anyone else any payments that have already been made; take any action to get back any lost property or property believed to be lost.
18. If you or anyone acting for you in any respect, attempts to gain funds, information or other assets by deception or any other illegal means, including deliberate misrepresentation or omission of facts in order to misrepresent the true situation, this policy shall become void. We may inform the police and you must repay to us any amount already received under the policy.
19. If we pay any expense which is not covered, you must pay this back within one month of our asking.
20. We will make every effort to apply the full range of services in all circumstances as shown in the policy. Remote geographical locations or unforeseeable adverse local conditions may prevent the normal standard of service being provided.
21. You must claim against your private health insurer, state health provider and/or other travel insurer first for any expenses.

When and how do I pay?

The insurance contractor is obliged to pay the premium in the moment of the formalisation of the contract. Unless otherwise agreed, it will be a one-time payment. Depending on the agreement with the company, the payment of the premium may be made through direct debit, bank transfer or card.

When does my cover start and end?

The duration of the coverage of your insurance will depend on the specific conditions of your policy. Please refer to your policy certificate for specific details:

- a) **Single Trip:** You will be covered from the first day to the end of the period of insurance shown on your policy certificate, but not in any case exceeding the period shown in your policy certificate. Cover for cancellation of your trip begins the day you purchase the policy and ends at the start of your trip.
- b) **Annual Multi-Trip:** You will be covered during the period stated in your policy certificate. During this period, any trip not exceeding 31 days is covered with a maximum of 90 days during the period of insurance. Cover for cancellation under Annual Multi Trip policies starts on the policy start date or at the time you book the trip, whichever is later.

- i. **Winter Sports** cover within an Annual Multi-Trip policy is limited to 17 days in total in each period of insurance (if you have paid the appropriate Winter Sports premium to include this cover). Cover for cancellation starts on the policy start date or at the time you book the trip, whichever is later.

Any trip that had already begun when you purchased this insurance will not be covered, except where you renew an existing annual multi trip policy which fell due for renewal during the trip and there is no gap in cover.

Cover cannot start after you have left your home in the country of residence. Each trip must begin and end in the country of residence.
